**PETITION UNDER 37 C.F.R. §1.181 FOR  
WITHDRAWAL OF NOTICE OF ABANDONMENT**

S I R:

Applicants respectfully petition pursuant to 37 C.F.R. §1.181 for withdrawal of a Notice of Abandonment mailed July 3, 2002 in the above-identified application.

**Statement of Facts**

The Notice of Abandonment ("Notice") states that the application was abandoned for failure to timely file a proper reply to the Office Action mailed on November 27, 2001 in that no response to the Office Action has been received. A copy of the Notice is enclosed herewith.

**MAILING CERTIFICATE ON  
LAST PAGE**

An Office Action was mailed in this application on November 27, 2001 setting a one-month period for response, thereby making a response due on December 27, 2001. On December 13, 2001, the attorneys of record timely filed a response bearing a mailing certificate dated December 13, 2001. A copy of the response is enclosed (Exhibit A). Also enclosed are copies of the complete page of the Master Docket Book of the attorneys of record for December 13, 2001 (Exhibit B) and of the front face of the file jacket of the application file maintained by the attorneys of record (Exhibit C), both of which indicate that the response was mailed to the PTO on December 13, 2001.

The response was filed accompanied by a return receipt postcard for date-stamping by the PTO. To date, the return receipt postcard has not been received by the attorneys of record.

A check of the Master Docket Book shows that the attorneys of record filed at the PTO papers in nine applications, including the response in the present application, by mailing certificate dated December 13, 2001. Return receipt postcards have been received in eight applications (Exhibit D) but not in the present application.

A response in the present application was timely filed by mailing certificate on December 13, 2001 and it appears that the response has either been misplaced at the PTO or lost/misdirected in the mail.

Petition Fee

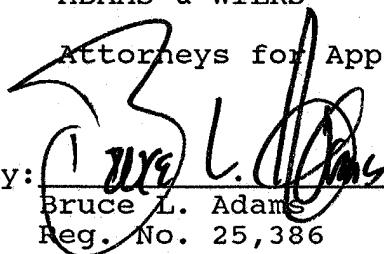

No petition fee is believed required in connection with this petition. However, should it be determined that a petition fee is due, authorization is hereby given to charge any such fee to our Deposit Account No. 01-0268.

Relief Sought

In view of the foregoing, applicants respectfully request that the Notice of Abandonment mailed on July 3, 2002, be withdrawn and vacated as having been erroneously issued, and that the application be restored to the pending files and further examined in due course.

Respectfully submitted,

A proposed reply was received on \_\_\_\_\_, but it does not constitute a proper reply under 37 CFR 1.113 to the final rejection.  
(A proper reply under 37 CFR 1.113 to a final rejection consists only of: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114).

No reply has been received.

 The issue fee and publication fee, if applicable, has not been received.

Applicant's failure to timely file new formal drawings as required by, and within the three-month period set in, the Notice of Allowability (PTOL-37).

Proposed new formal drawings were received on \_\_\_\_\_ (with a Certificate of Mailing or Transmission dated \_\_\_\_\_), which is after the expiration of the period for reply.

The proposed new formal drawings filed on \_\_\_\_\_ are not acceptable and the period for reply has expired.  
 No proposed new formal drawings have been received.

The letter of express abandonment which is signed by the attorney or agent of record, the assignee of the entire interest, or all of the applicants.
